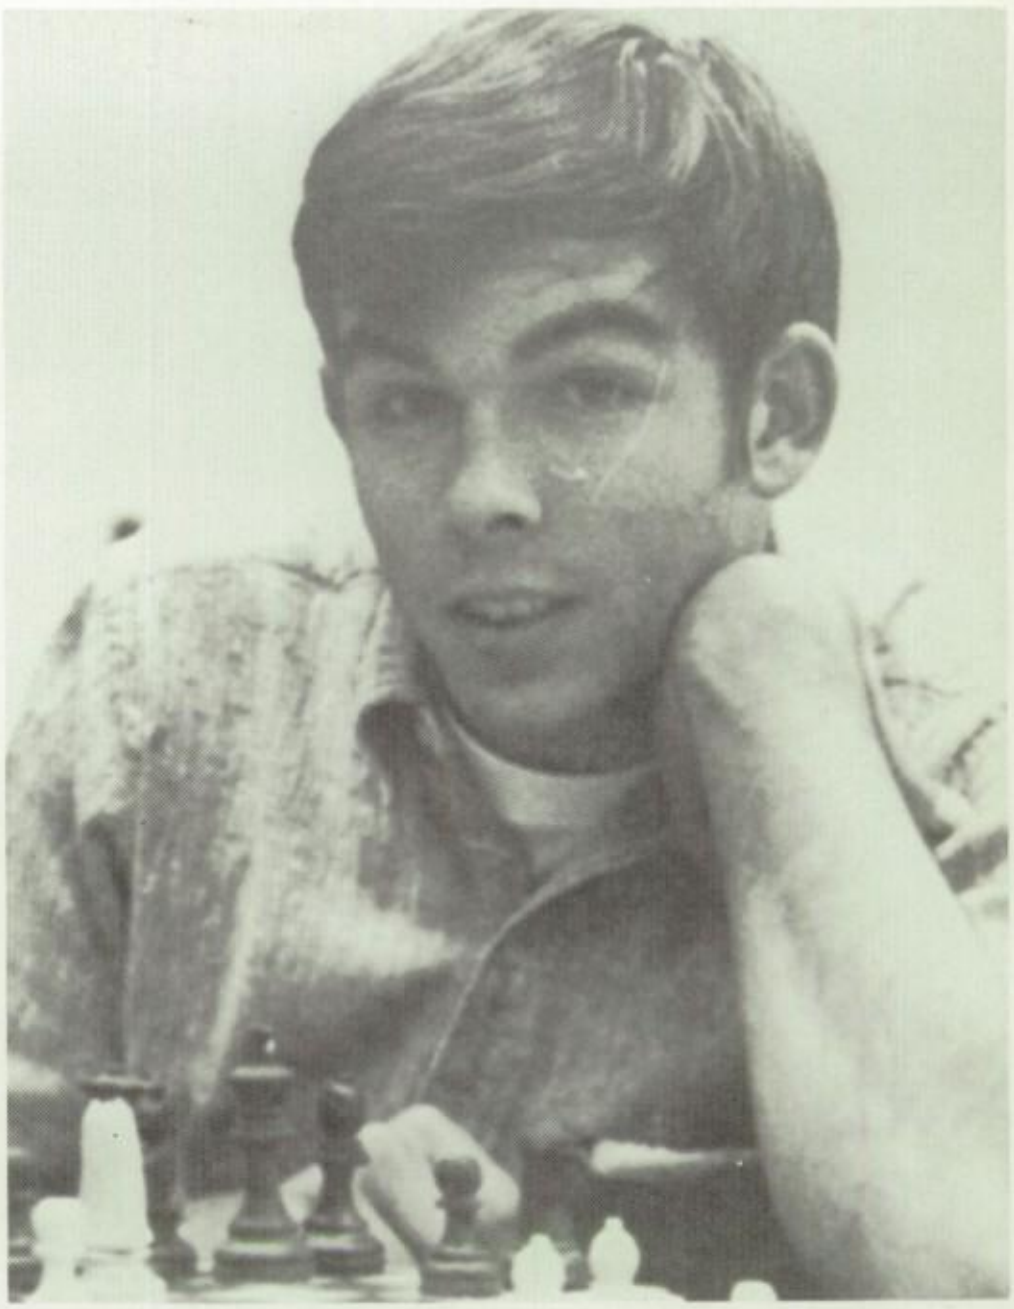
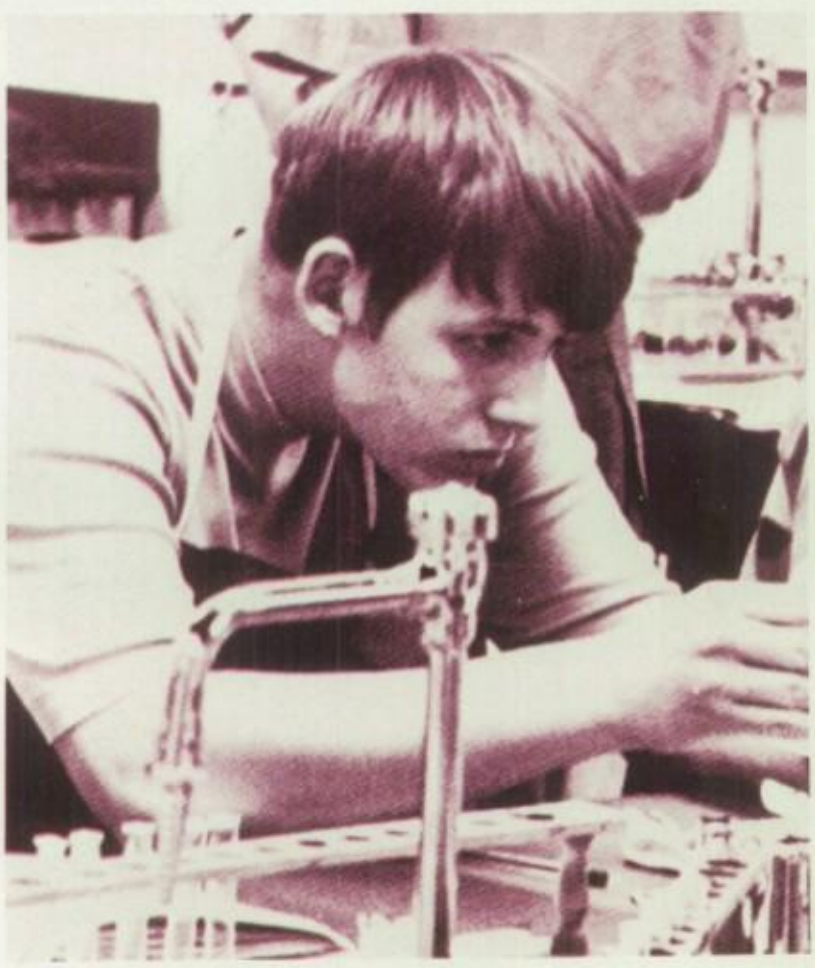
Foundations for the Future

Expression . . .

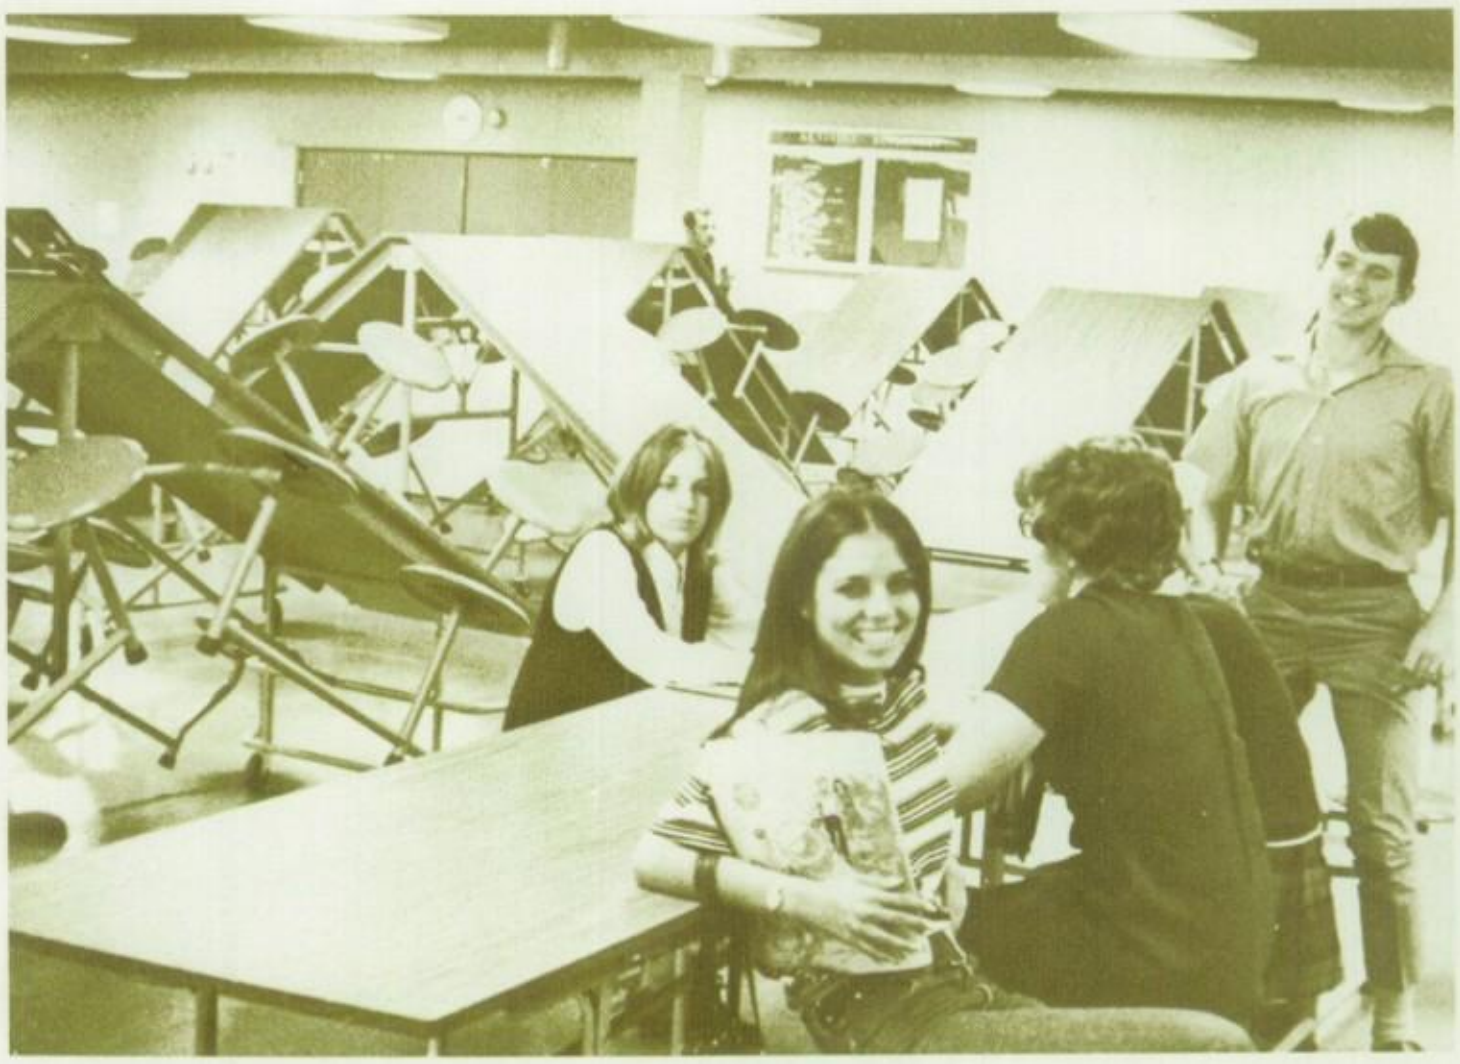
Is a look of
doubt, or
Maybe a look of
concentration
Or even a look of disbelief
An expression can very
easily say what you feel

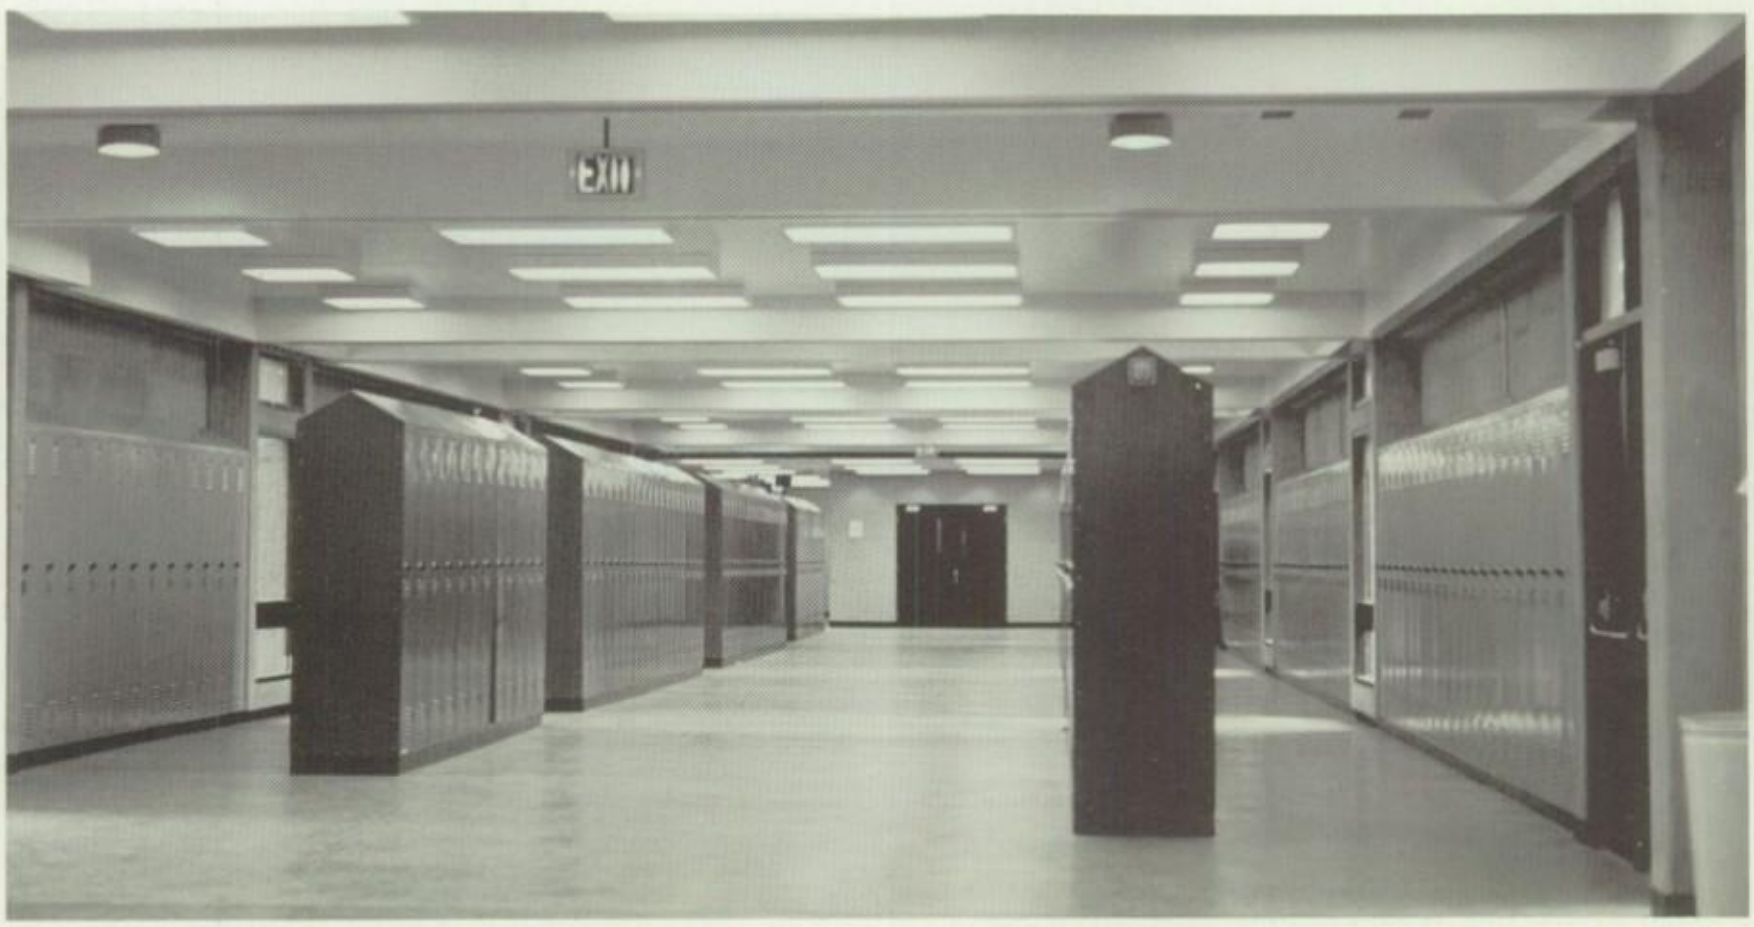


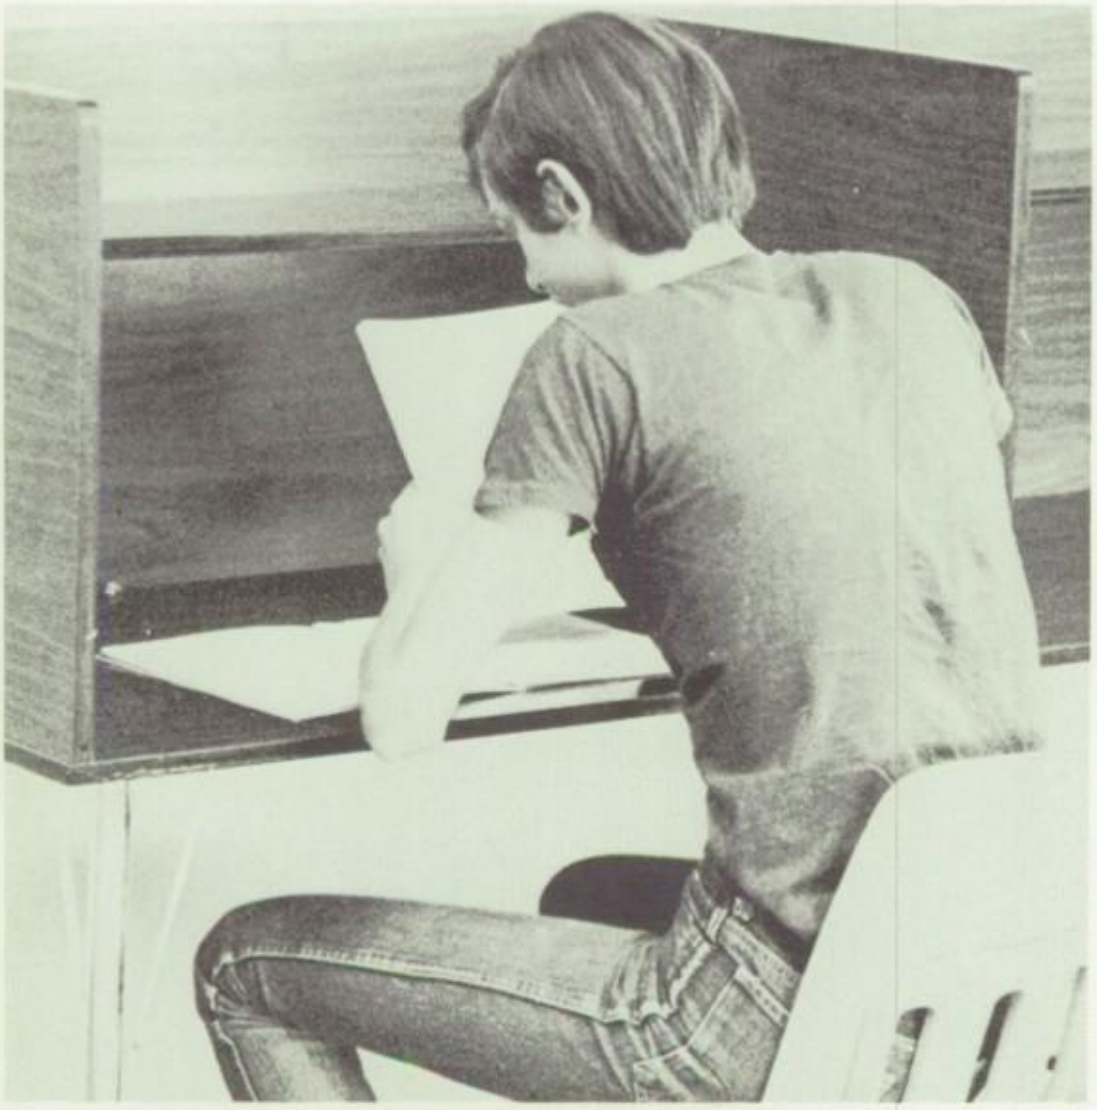


Changes . . .

Cover time, place and people
From 1955-1971
From congestion to wide-open spaces
From distractions to privacy
From restrictions to privileges and
From apathy to pride

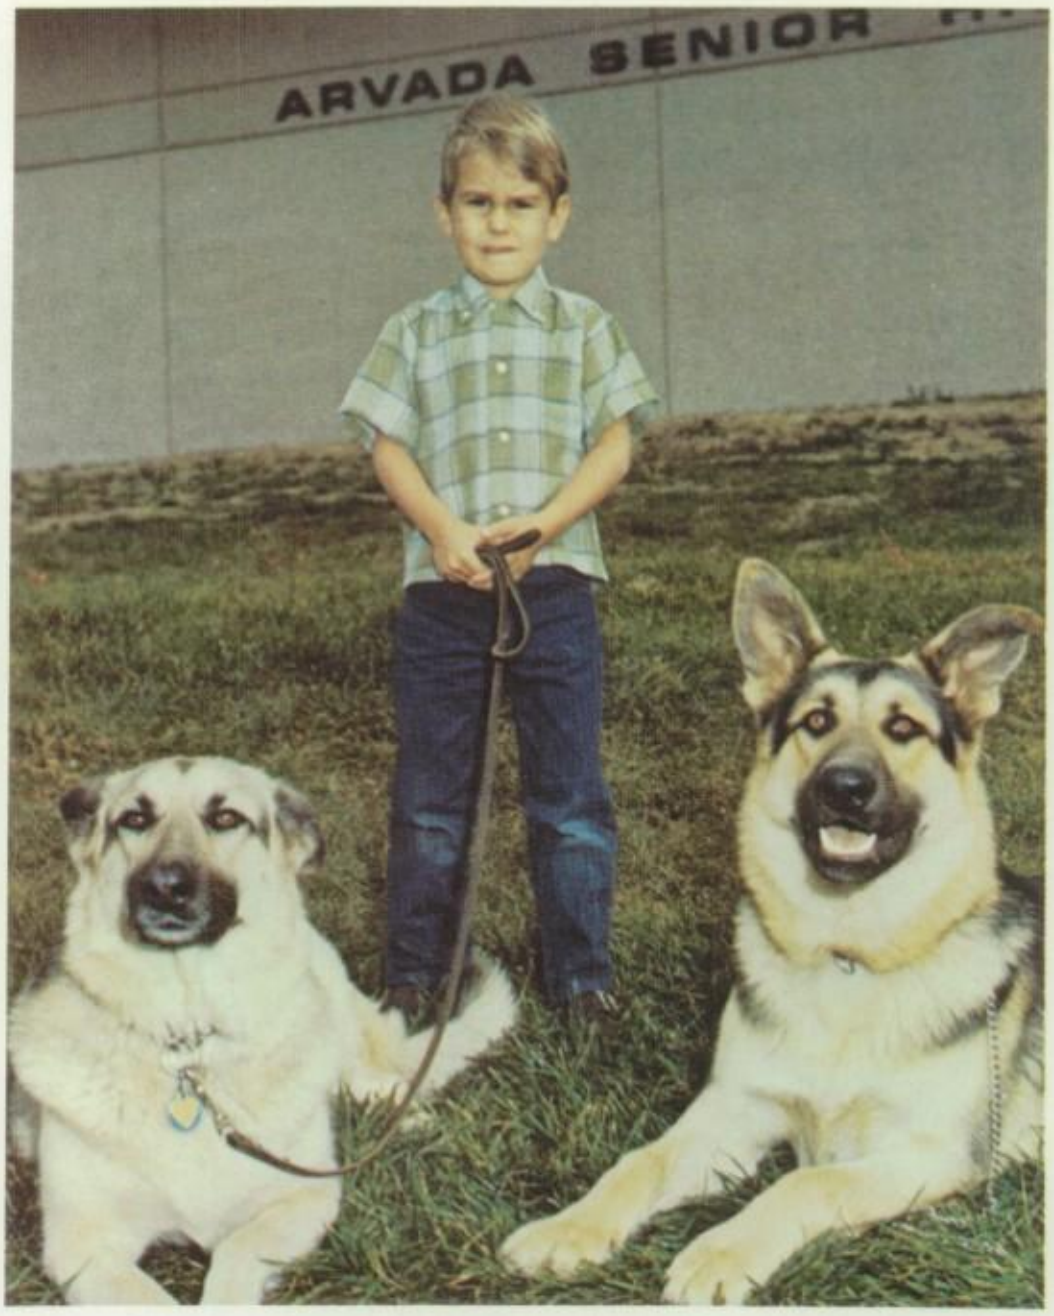


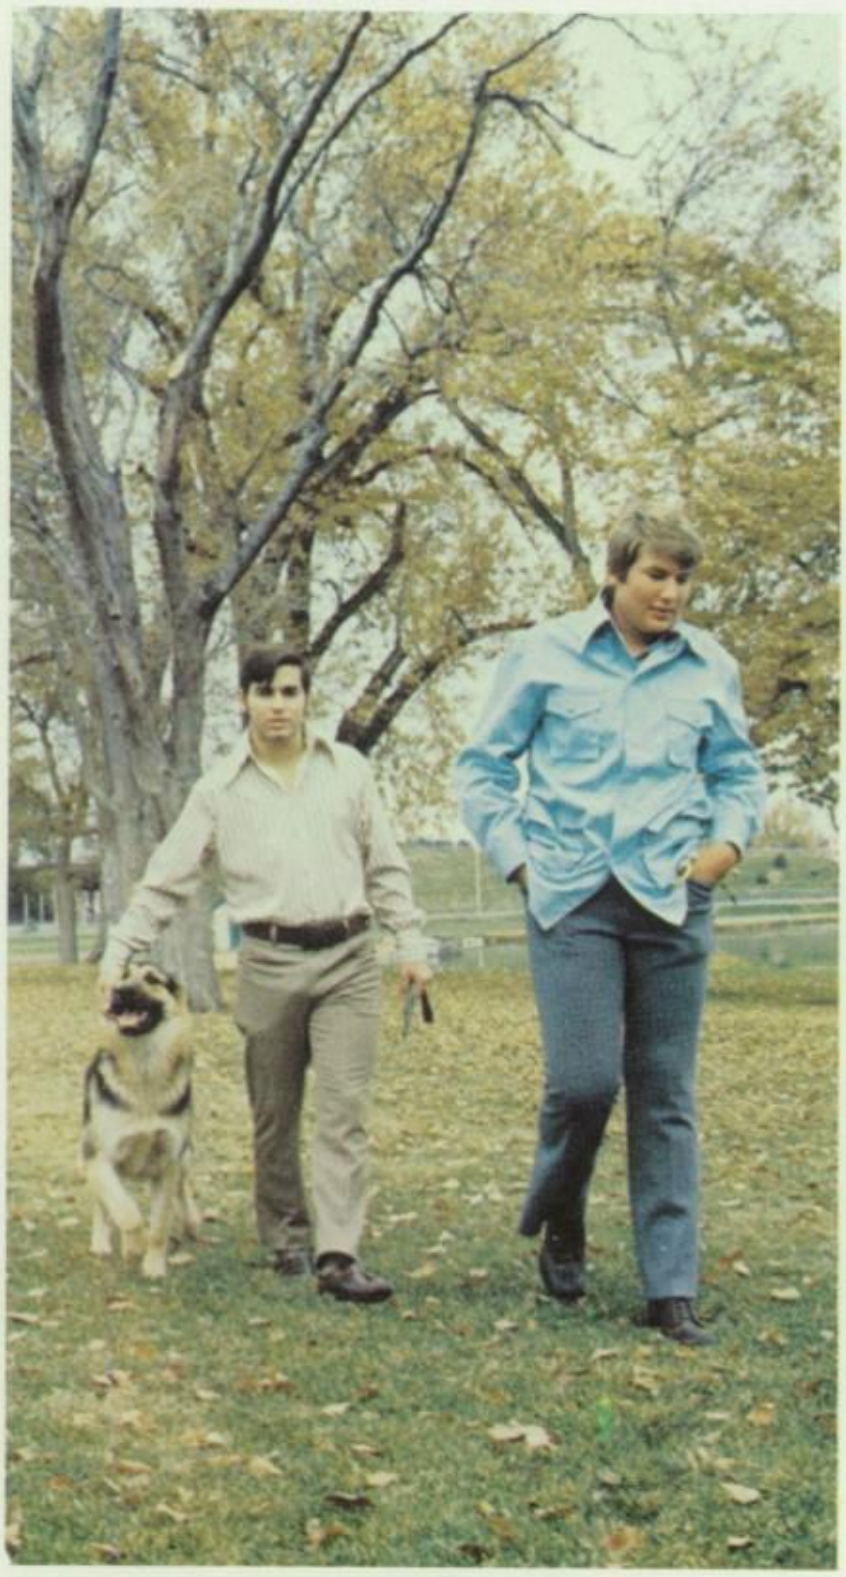




Love . . .

Is more than holding hands
It is more than a boy and
his dogs
Or a boy and his car
It is more than just
sisterly love
It is something that words
can't say





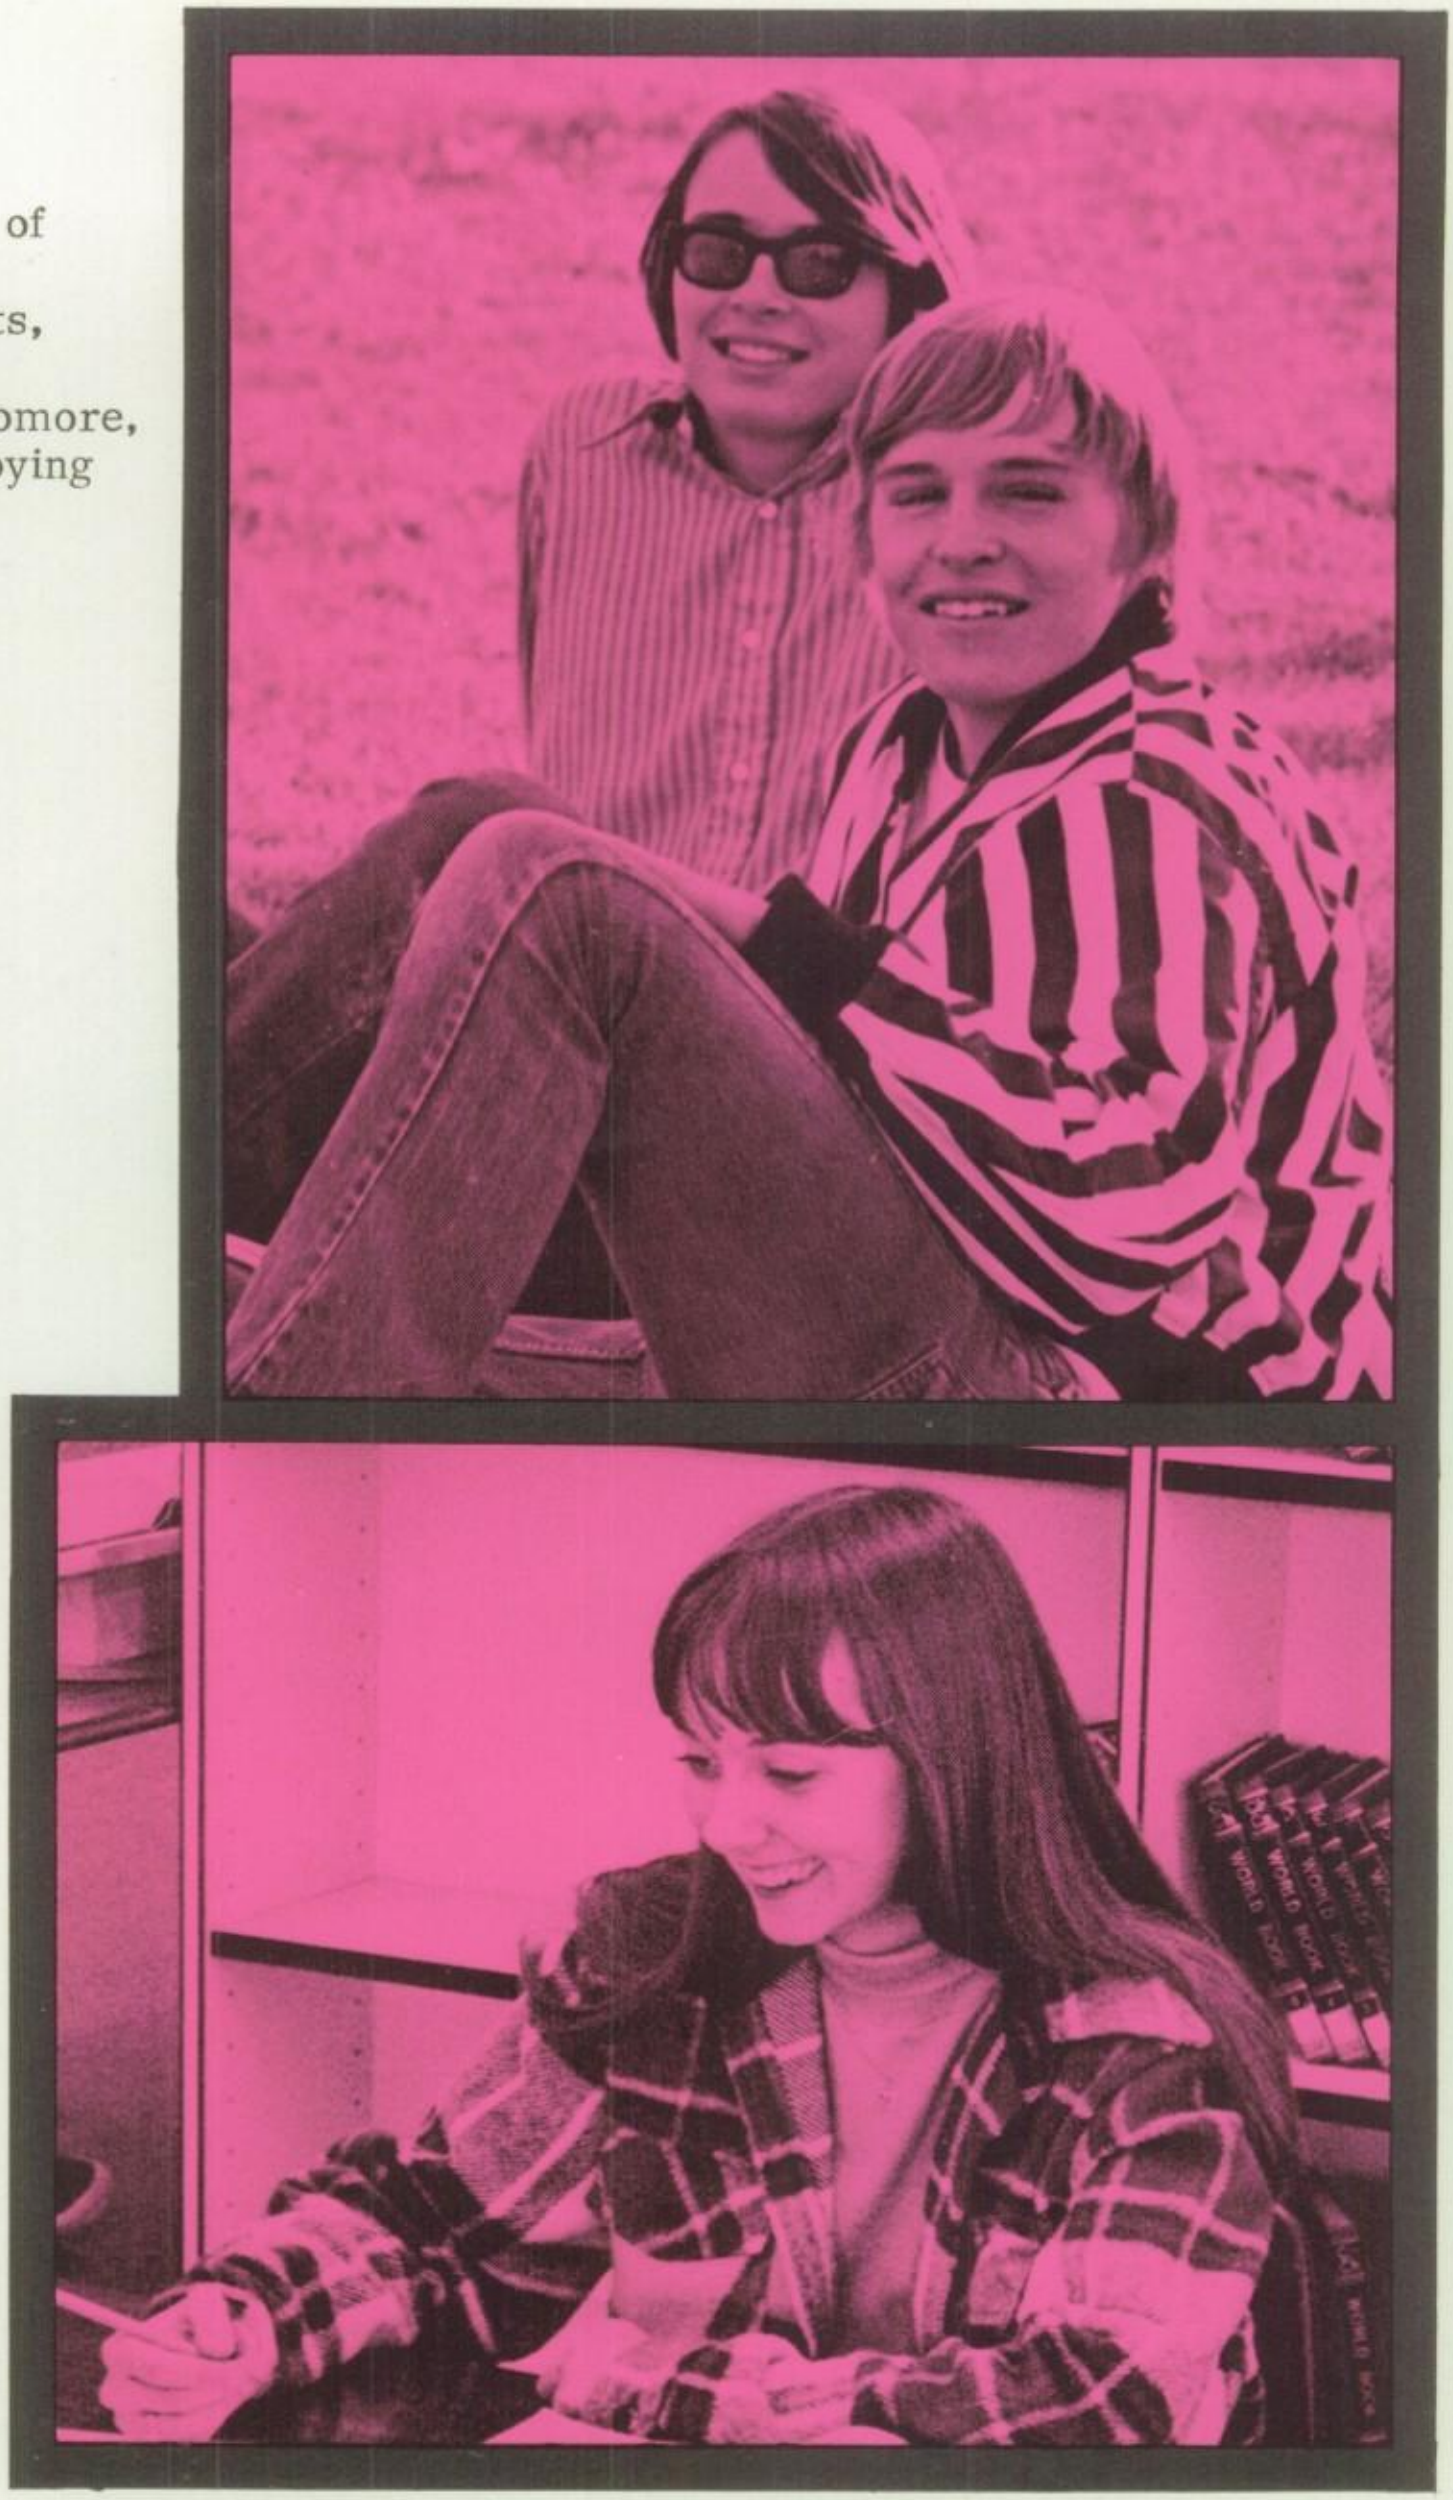
ARVADA SENIOR HIGH

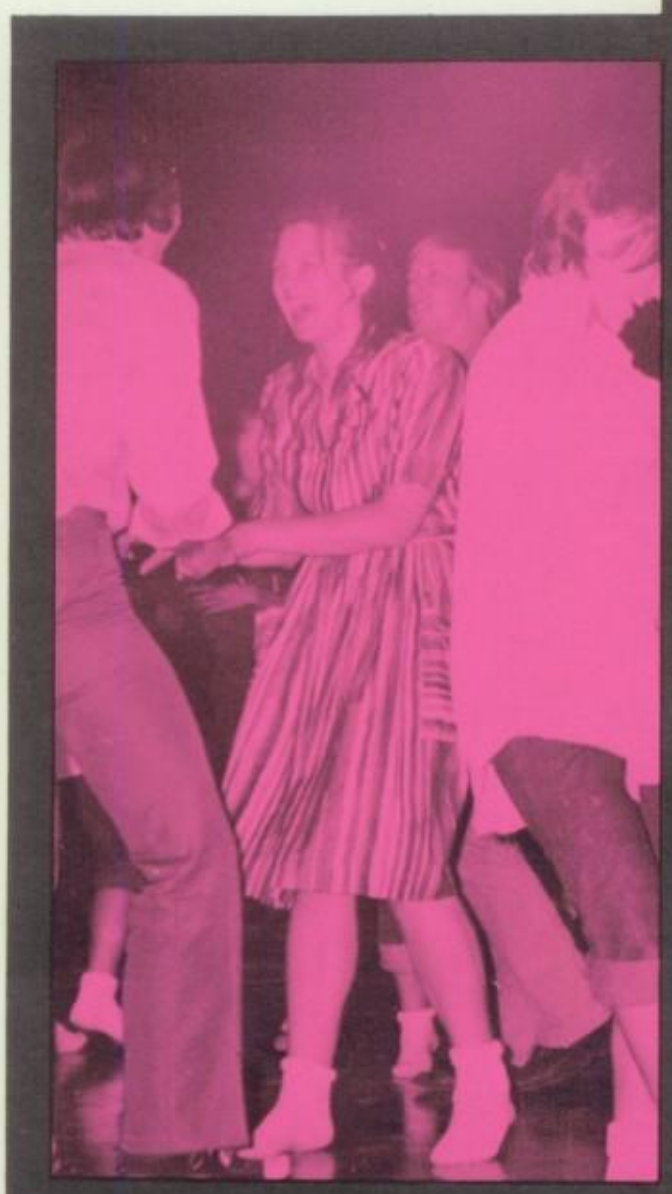
Brotherhood . . .

Is more than just
a relationship between male
twins
It is more than people from many
countries becoming friends.
It is a "long hair" laughing with
a "short hair"
Or an Oriental understanding the
ideas of a Spanish person.
It is a mixing that changes reds
and yellows and blacks and whites
to just people

Smiles . . .

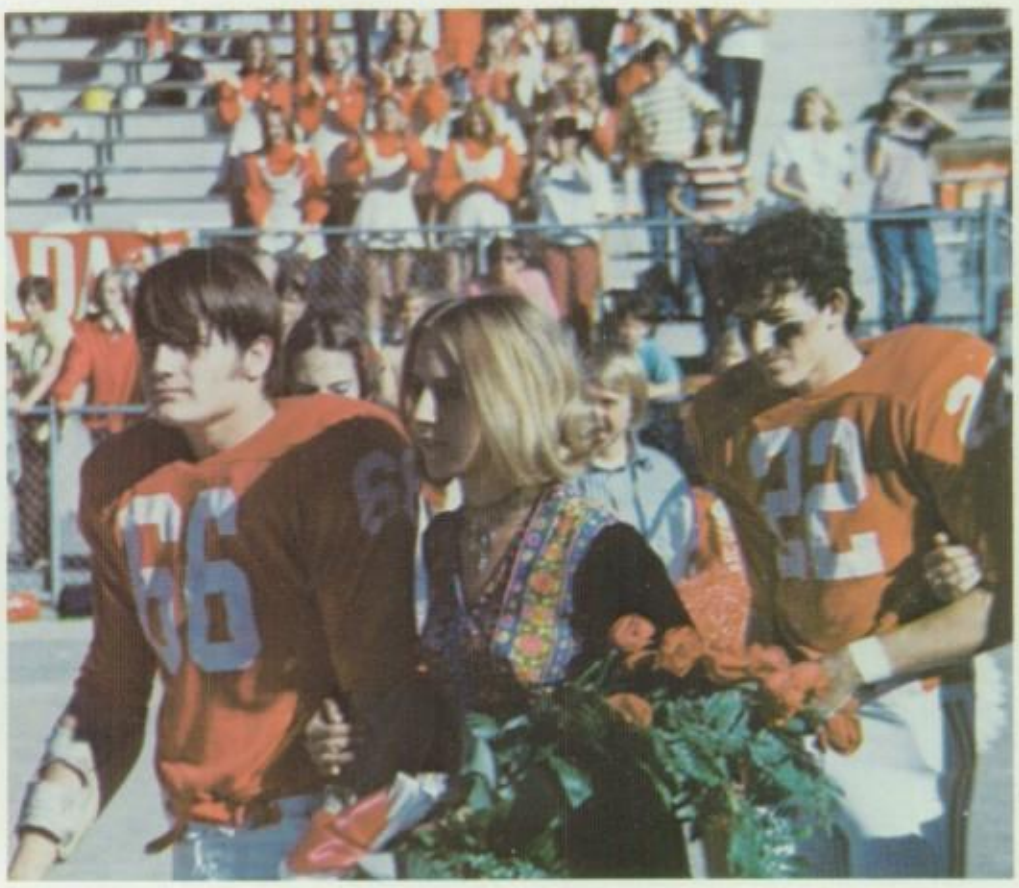
Are found in the faces of
clowning duos,
And bemuddled students,
two pals,
And a snickering sophomore,
Smiles are people enjoying
life





Pride . . .

Is one of many things
Pride is the marching band during the halftime
It is the Pep Club during a game
It is the Homecoming Queen and game
It is the posters before the game
Pride is all of these things



BEAT EM REDS!

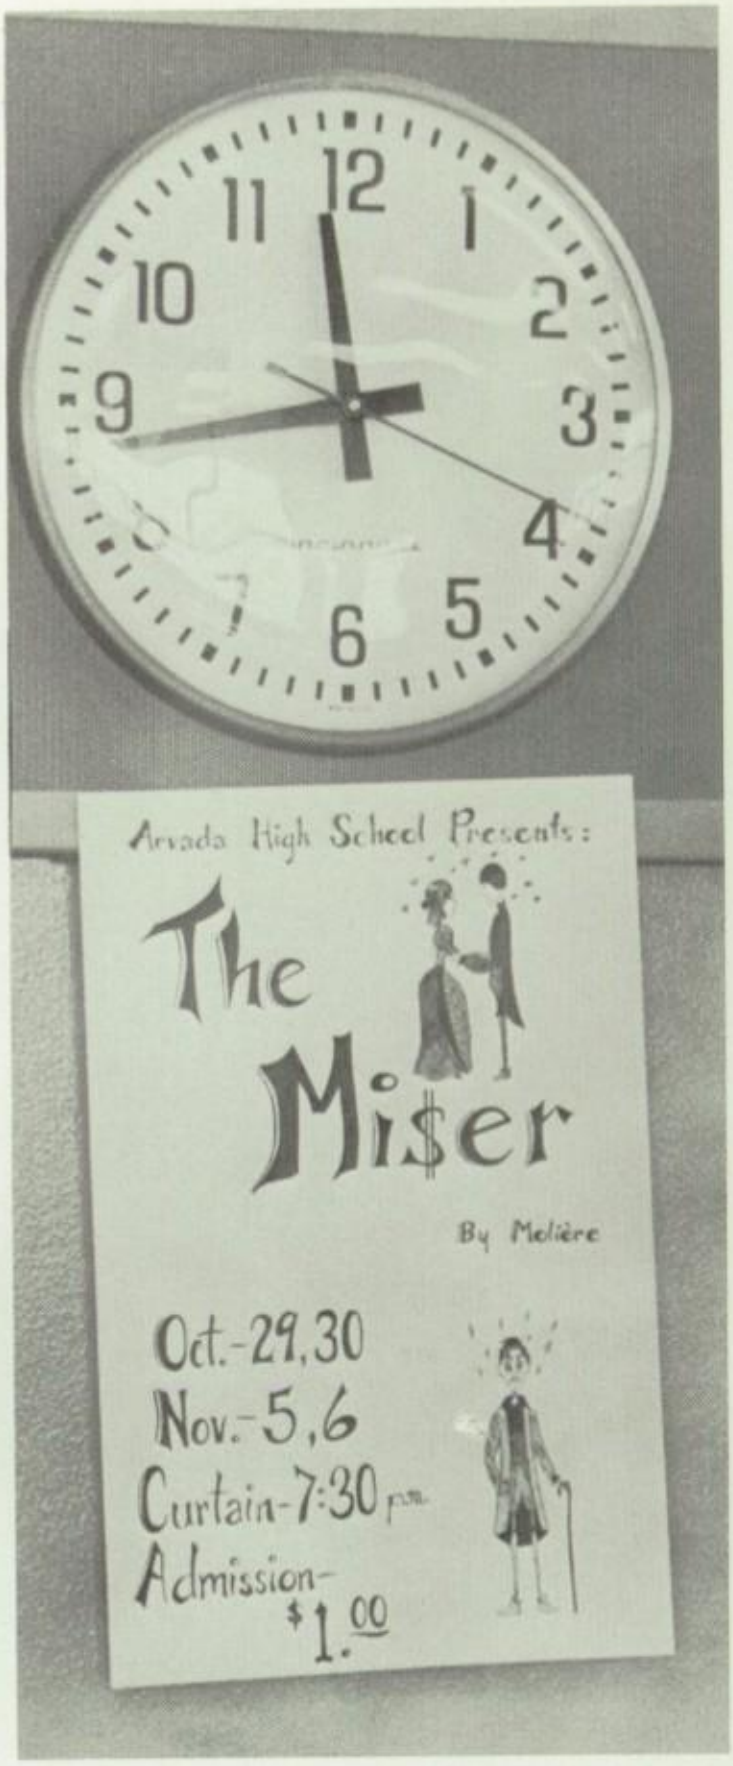
Communication . . .

Is a friend who listens
patiently
Or a word of thanks
Or a dramatic expression
Or an urgent phone call
to mom
Or even a senior's gentle
persuasion
Communication is a basic
foundation



The future . . .
a vast expanse of fateful challenges.
Meet them head-on,
but first build a solid foundation to stand on.
Learn to accept the changes the future will bring,
and communicate for the fuller understanding
of all.
Take pride in your fellowman,
while teaching him to love mankind.
And from all this,
a better, happier world.

Up With People, CU Buffoons Turn on With Music

Up with people, an international singing group composed of high school and college students, helped to start out a new year on September 20, by singing a selection of specially arranged songs for the students and faculty.

Yodeling their way on stage, the Buffoons, a group of 12 young men from CU, began their performance on November 2. Singing a variety of songs, providing information about extra-curricular activities at CU, and telling a few of the jokes picked up around campus were some of the highlights of their visit.

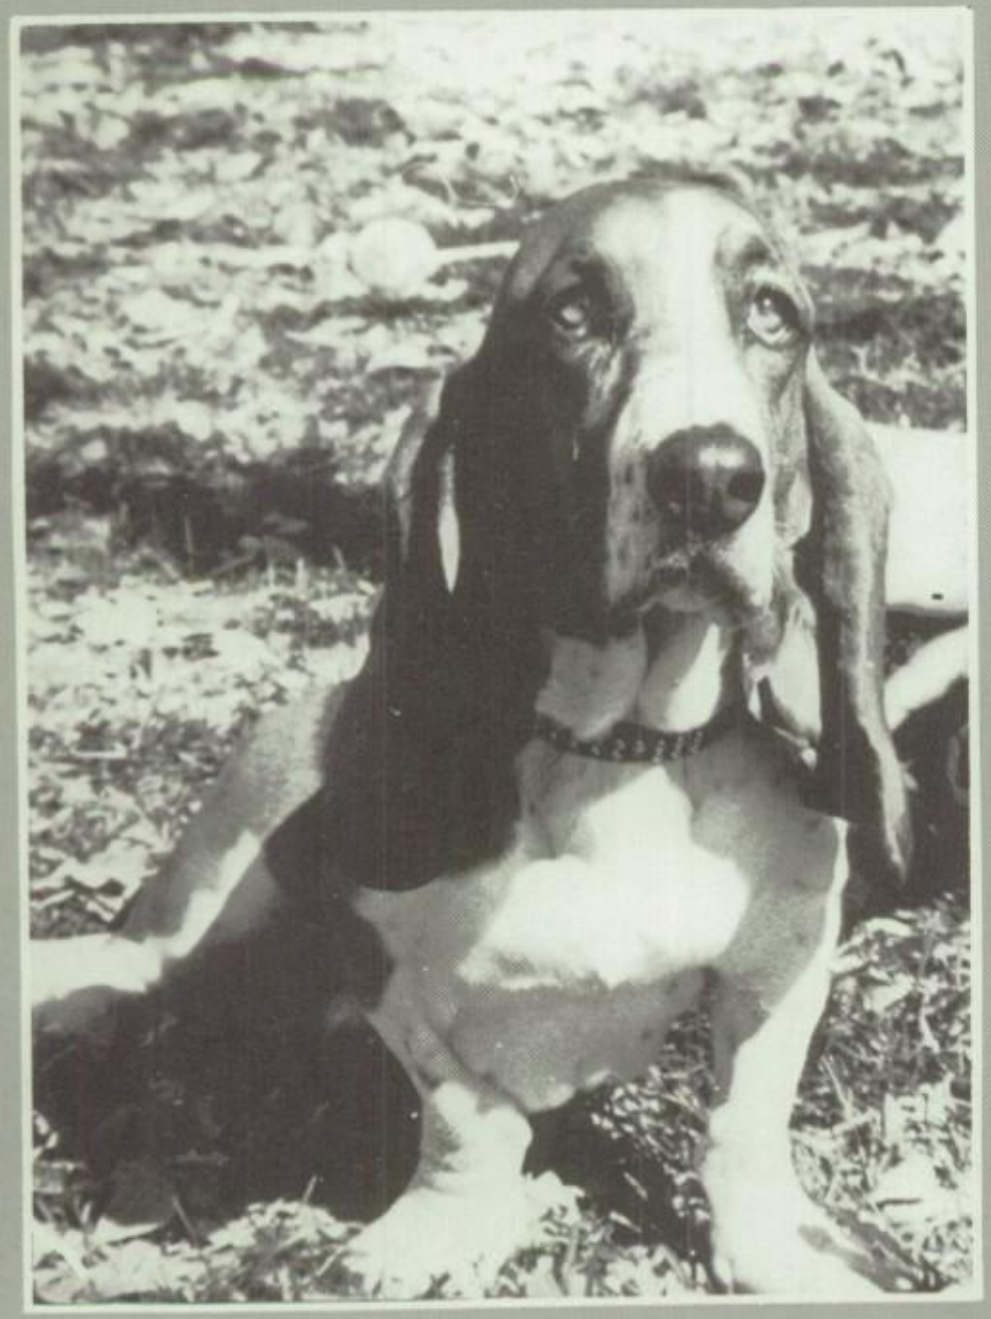
Revival

Homecoming Week, October 4-9, led the way for school spirit at the new Arvada High School.

Activities for the week included a bed race, a tug of war, and a cheering and bugaloo contest.

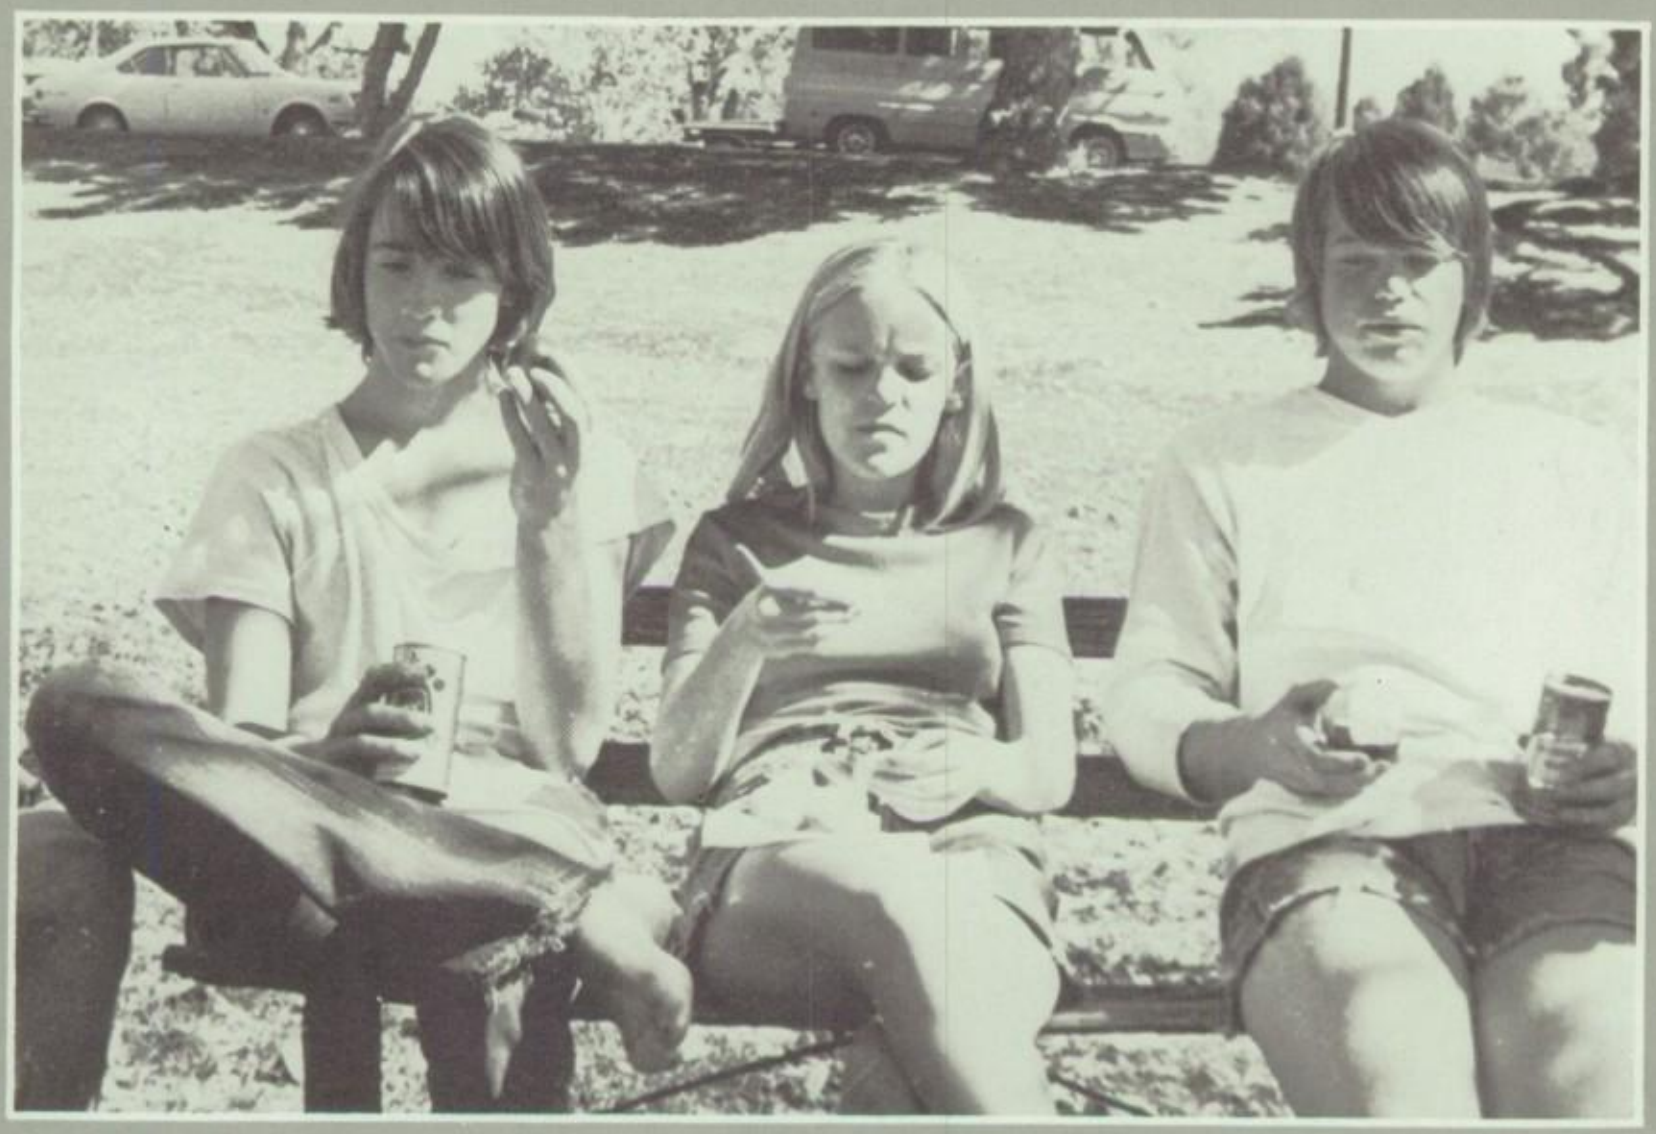
Pennies were collected during the week with 140 dollars given to the school's orphan, $50 given to CROP, and the remainder distributed among other organizations.

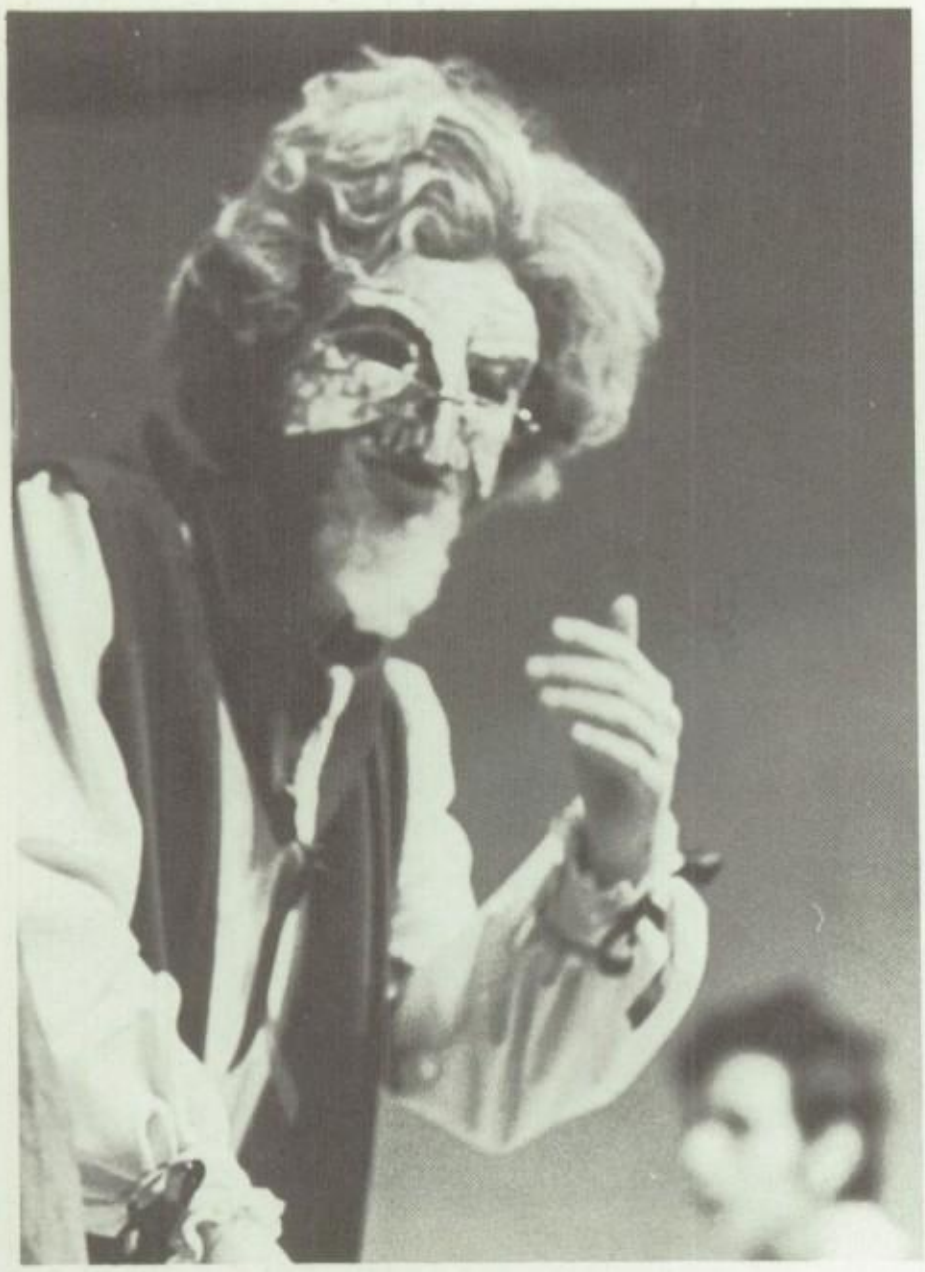
The week ended with the gridders stomping the Evergreen Cubs 33-0.



Senior Picnic

On October 10, the first Senior Picnic for the class of '72 was held at City Park. After a rousing game of football, climbing trees, building pyramids and eating, the super seniors proceeded to tour the Museum of Natural History. Myrtle, the senior class Basset hound mascot, thoroughly enjoyed the day.





"The Miser" Becomes First Play of Year

Moliere's "The Miser" written in the 16th century was the first theatrical production of the year.

It provided a different taste in theatre since the performers wore masks and elaborate costumes to portray their characters. A stylized setting, in early Italian fashion was constructed for use in the play.

The production was directed and supervised by Mr. Michael Carpenter, drama teacher.

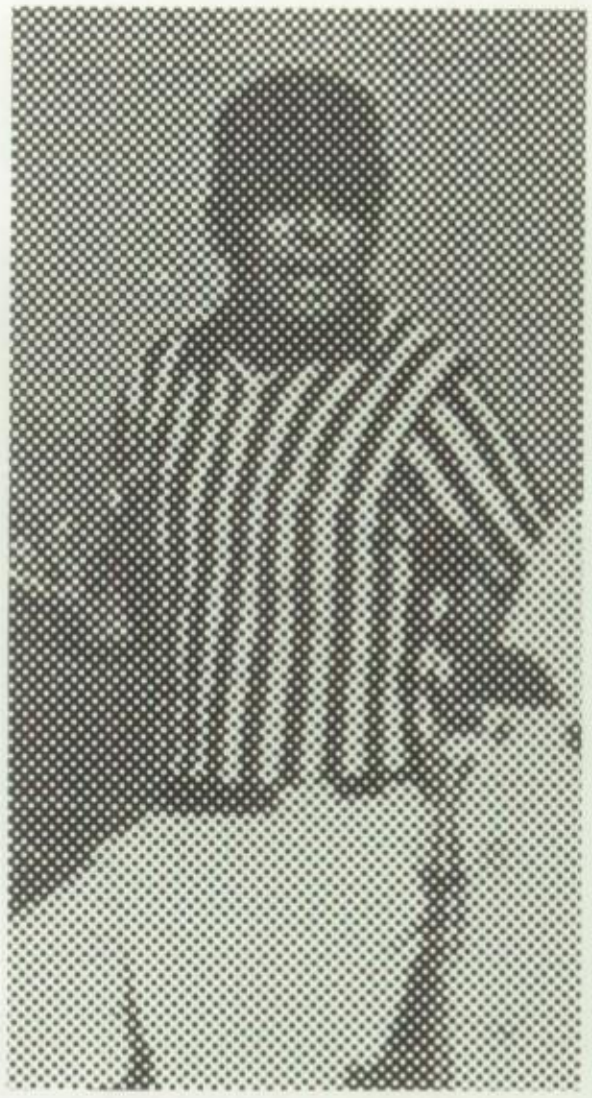
Young Grid Squad Completes 4-5 Season



Inconsistency, caused by inexperience, held Arvada to an average 4-5 record.

A pre-season injury to All-State prospect Kelvin Butz slowed down the Redskin offense considerably.

Casper Natrona, Arvada's first opponent forced the Redskins into many turnovers which resulted in a 28-0 loss.

A tough defense and a vastly improved offense put Arvada in first place with consecutive victories over Jefferson, Evergreen and Bear Creek.

The Wheat Ridge Farmers proved to be too much with their strong offense and they rolled to a powerful triumph.

The boys looked much improved against cross-town rival Arvada West, but the Wildcats were just too physical for the Redskins to handle.

Feeling very confident against a weaker Alameda team, the offense couldn't get started and lost a heartbreaker 7-6. Although the defense played an excellent game, the one touchdown scored against the team proved to be decisive.

League champion Lakewood was a big challenge for the Redskins. Behind a fine passing game the Tiger offense exploded for a 33-0 victory.

The final game of the season ended with a 6-0 win over Golden. Because the Big Red defense was superb, the offense only needed to score once to win.

Individual honors went to senior Mark Snyder selected as an offensive guard on the All-Jeffco first team.

Linemen

Hard hitting was the nucleus of this years rugged Redskin defense. The line was solid around senior middle guard Mike Thorson and junior end Gary Johnson.

The relatively young secondary managed to do a fine job against some of the state's top passers. Coach Don Cavarra, in charge of the defense, did an excellent job and gave his defenders much confidence and support.

Tree Planting Highlights Activities for Christmas

For the spirit of Christmas the many clubs and organizations planned various festivities. One of Student Council's activities was the purchase and planting of a live pine tree to be decorated annually. Class competition in decorating the halls was another Student Council project. Other Christmas activities were a pep rally, concerts by the Music Department, the presentation of "The Littlest Angel", club parties, a service project at Ridge Home and the distribution of repaired toys to needy children.

Dramatic Arts Gives Play for Christmas

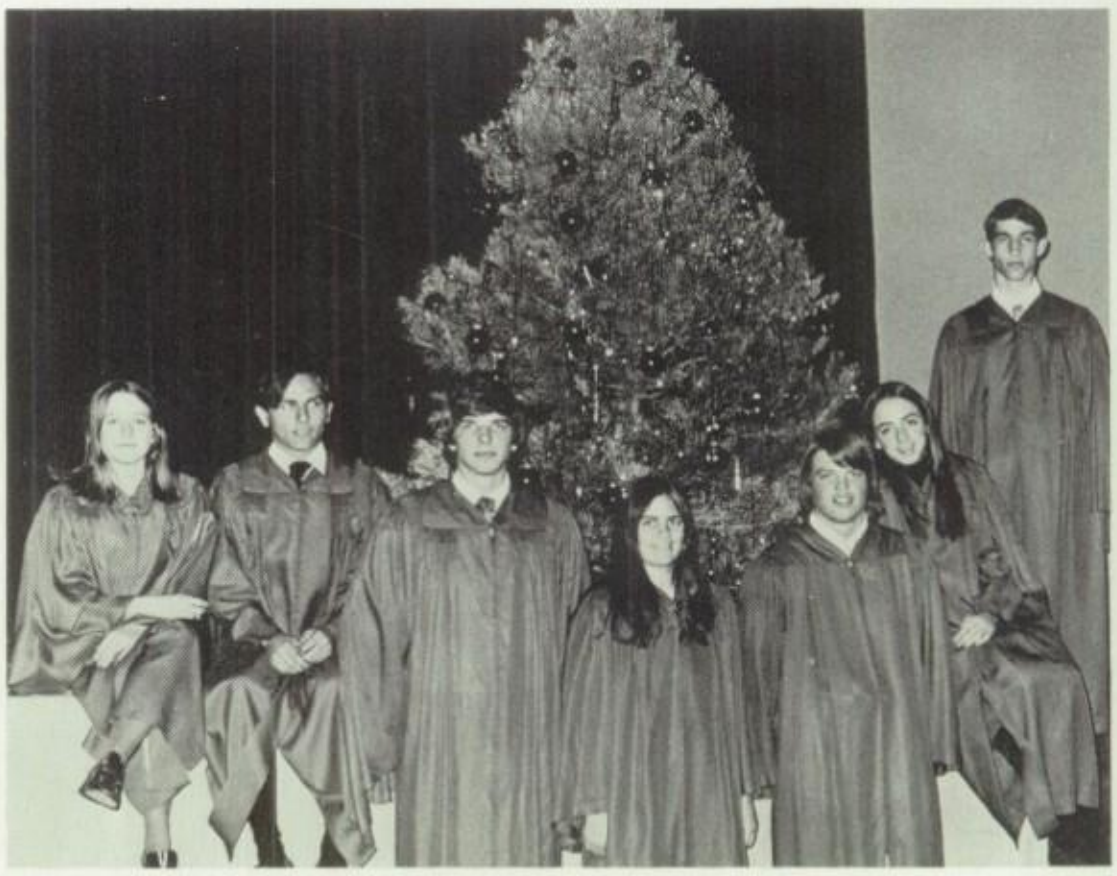
"The Littlest Angel" was produced by the Thespians on December 21 and 22. The first program was given for elementary school children in the local area. The second was presented for the general public.

Important roles, such as the Littlest Angel, the Gate Keeper and God were played by Wendy Recktenwall, Dennis Steenbergen and Charlie Moore, respectively. Dale Schneider directed the production.

Orchestra, Choirs Provide Christmas Entertainment

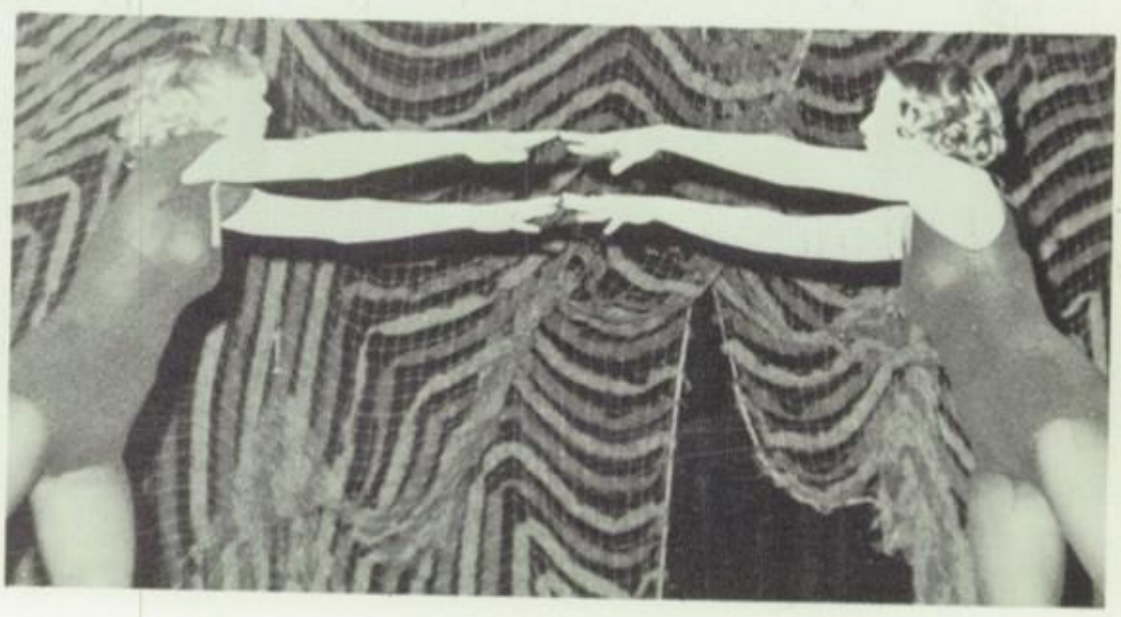
Members of the little concert band, orchestra and advanced choir presented the annual Christmas Concert on December 14. An additional concert, which featured all other choral groups, was performed a week later.

Along with the orchestra and advanced choir, groups such as boys' chorus, girls' choir, mixed chorus, Choraliers and Modernaires performed such selections as "Let It Snow," "The Christmas Song," "Sleigh Ride," "Winter Wonderland" and "Jinglebells Travelogue." The various instrumental and choral groups were under the direction of Mr. Robert Hurrell, Mr. Tom McCormick and Mr. Wayne Simpson.



Rapid Motions Enhance Black Arts Production

Demonology, witchcraft, and astrology were the themes for the drama department's Black Arts production, held on the first of February. The second year drama students used music, lights, body movement, modern dance, and make-up to create an impression about evil and mystery in their performance. Interpretive dance was used by the students singly or in pairs to illustrate the 12 Zodiac signs.



Goods Donated to Auction Include Rabbits, Watches

Live rabbits, an artificial Christmas tree, and watches were among goods donated for use at the Chinese Auction, held in February. Over $700 was raised for the instrumental music department, according to Band Director Robert Hurrell.

Basketball

Confidence, Height Spark Basketball Team Efforts

Coach Dennis Dunkin returned to his third year of coaching the basketball squad with assistants Tom Asbury and Tom McCormick in their second year, aided by newcomer Ron Rossi.

The size and height of the team were the main assets, along with the help of three returning lettermen. The returning lettermen were Jim Kinnear, John Wright, and Tim Normandin.

The team showed an increase in self-confidence as the season progressed.

Mark Snyder, 155 lbs, was the only Arvada wrestler to take first in the district competition. Gary Johnson, 185 lbs, and Rick Sharp, HWT, took second place honors. All three won their preliminary matches in the state meet, but failed to get honors in the final competition. Three wrestlers, Warren Ward, 105 lbs, Karl Maulis, 132 lbs, and Mike Boyd, 167 lbs, achieved fourth place finishes.
